Kroff, Inc. to Showcase Facilities Management and Water Treatment Capabilities at 2011 BOMA International Conference in Washington, D.C.

– Company Will Exhibit to Decision Makers from the Commercial Real Estate Industry –

PITTSBURGH, June 22, 2011 – [Kroff, Inc.](#), one of the fastest-growing water treatment companies in the United States, will serve as an exhibitor at the upcoming BOMA International Conference & The Every Building Show®, a premier industry event presented by the Building Owners and Managers Association. The event will be held June 26-28, 2011 at the Gaylord National® Resort & Convention Center in Washington, D.C. Kroff Chemical Company, Inc. (KCC), one of six distinct companies operated by Kroff, Inc., will be located at **Booth #1445** on the convention floor.

“With uniquely formulated chemistries, experienced consultants and a commitment to innovation, KCC engineers customized solutions for building owners and managers, enabling them to save money and achieve regulatory compliance,” said Tim Laube, general manager of Kroff Chemical Company, Inc. “We are looking forward to showcasing our unique products and processes to the foremost experts in the commercial real estate industry at BOMA International.”

Kroff Chemical Company, Inc. provides industry-leading water treatment chemicals and services for boilers, cooling towers and wastewater. With advanced chemistry and innovative delivery systems, KCC maximizes equipment efficiency, reduces costly downtime and adheres to strict environmental regulations. Kroff’s comprehensive treatment programs, laboratory services and technical experts enable building owners and managers to focus on operations.

– Company Will Exhibit to Decision Makers from the Commercial Real Estate Industry –

Building owners and managers from around the world will gather at BOMA International to discuss current trends, best practices and learn firsthand what industry leaders are doing to stay ahead. The Building Owners and Managers Association is an international federation of more than 100 local associations and affiliated organizations. Founded in 1907, its 16,500-plus members own or manage more than nine billion square feet of commercial properties. BOMA's mission is to enhance the human, intellectual and physical assets of the commercial real estate industry through advocacy, education, research, standards and information.
